

# Radar Love

I've been driving all night, my hands wet on the wheel  
There's a voice in my head that drives my heel  
It's my baby calling, says "I need you here"  
And it's a half past four and I'm shifting gear

When she is lonely and the longing gets too much  
She sends a cable coming in from above  
Don't need no phone at all

We've got a thing that's called radar love  
We've got a wave in the air  
Radar love

The radio is playing some forgotten song  
's ""  
The road has got me hypnotized  
And I'm speeding into a new sunrise

When I get lonely and I'm sure I've had enough  
She sends her comfort coming in from above  
We don't need no letter at all

We've got a thing that's called radar love  
We've got a line in the sky  
Radar love

No more speed, I'm almost there  
Gotta keep cool now, gotta take care  
Last car to pass, here I go  
And the line of cars goes down real slow

And the radio played that forgotten song  
Brenda Lee's "Coming On Strong"  
And the newsman sang his same song  
Oh, one more radar lover gone

When I get lonely and I'm sure I've had enough  
She sends her comfort coming in from above  
We don't need no letter at all

We've got a thing that's called radar love  
We've got a line in the sky  
We've got a thing that's called radar love  
We've got a thing that's called  
Radar love
